W. W. DIMOND'S

Spring exhibitions of art are held the world over—why not silver, glassware or crockery? The advantage in most presents is in the fact that they answer for any season in the year. A Christmas present of cut glass would do as well for a birthday in July. Our goods are seasonable.

Dorflinger's cut glass, the best in the world, because the cuttings are perfect and the designs unique. Best for the purchaser because the price is low. Best for the home because it is useful and decorative.

Our silverware is the same sort you buy of exclusive dealers in silverware. The weight is the same, the designs are the most modern and elegant, and the price is the same as you pay to the dealer in San Francisco. Ours is made by the Whiting Manufacturing Company, and has no superior. The pieces include everything to be found in a silversmith's.

In crockery this is the help-fullest of stores. Make the most of it. Its every day selling is a series of agreeable surprises to China lovers. Genuine French China, Royal Worcester, Crown Derby and Coal Port go to you for what they are worth—nothing better for wedding presents.

Our stock of lamps is the largest and the assortment the best in Honolulu—some for oil and others for electricity.

Mr. W. W. Dimond.

Mush and milk sociable in the Baptist church Monday night. Proceeds to go toward a double seated baby carriage for the pastor's twins, born three weeks ago. The cause is a good one, and it has our best wishes for its success.

HONOLULU, April 21, 1896.
Mr. C. W. MACFARLANE:—It affords me pleasure to recommend, to any one whose hair is falling out, the use of DR. POTTIE'S HAIR OIL. My hair was coming out at such a rate as led me to believe that I would soon become bald. After using the oil for five weeks this ceased entirely; none whatever is now falling out. I consider it the best and only worthy remedy for this trouble and also recommend it as a stimulant to new growth.
